

Land Acquisition and Compensation – the Legal Process (2h)

This 2 hour online workshop intensive will overview the substantive legal and procedural requirements of the Land Acquisition and Compensation Act 1986 (and the regulations made under that Act), and the relationship between that Act and the Local Government Act 2020, the Planning and Environment Act 1987 and the Subdivision Act 1988. It will also highlight the legal principles upon which compensation for interests in land, including easements, is to be determined.

To be conducted by Peter Lucas and Kristy Tennant, this workshop will benefit those members of Council staff who have had previous experience with the land acquisition and compensation process (but who otherwise require a refresher) as well as those officers who have had no experience in this area.
